Dear Bonnie,

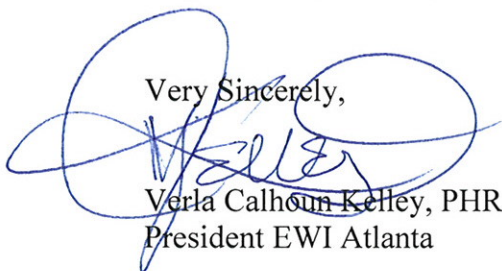

I would like to take this opportunity to express my heartfelt thanks to you for your very active participation in our April 2012 Executive Women International Atlanta, (EWI Atlanta) Chapter Meeting.

The members and Board Members have also asked me to pass on their sincere appreciation for teaching us how to be SAVVY Networkers. Your presentation skills and techniques certainly captured our audience and left everyone just craving to hear and learn more. As well, I have received numerous post-meeting requests for your contact information to share with firms across Metro-Atlanta. I went a step further and contacted EWI's Corporate President, Lisa Stokes and told her that your message was one that every EWI member in the US and Canada needed to hear.

Bonnie, I can't thank you enough for answering my call that day in 2011 and agreeing to speak to our group a year later. I knew from that moment, that I had reached someone who knew the secret success of networking. I also sincerely appreciated the time that you took to find out who we are and why we existed, by attending one of our meetings prior to the meeting that you presented at. That in itself spoke volumes! EWI Atlanta will forever cherish your professionalism and warm spirit.

Again, thanks so much for your enthusiastic participation in our meeting. I have no doubt that it would not have been the success that it was without your presence. Please keep in touch, and drop in and visit us whenever you have time.

Very Sincerely,

Verla Calhoun Kelley, PHR
President EWI Atlanta
