To Whom It May Concern:

The Atlanta chapter of Women In Insurance and Financial Services (WIFS) was honored to have Ms. Bonnie Ross-Parker as a keynote speaker at our annual Education EXPLORATION on October 14, 2005. As such, it is my privilege to highly recommend her as an inspirational and motivational speaker.

Bonnie spoke to our group on the importance of being a "Savvy Networker," a topic that could not have been more relevant to our attendees! It was immediately obvious that the audience instantly took to Bonnie and her creative presentation style, which was highlighted by her warm personality and quick wit. She took great strides to tailor her speech to our group and exhibited her gift for getting people motivated about and involved in the topic at hand. As a result, Bonnie scored extremely high on the attendees' evaluations, and we are still getting rave reviews about her presentation from our members.

Bonnie Ross-Parker played a tremendous part in making our one-day conference a success for our organization and a worthwhile experience for all who attended! If you would care to speak with me further about our group's experience with Bonnie, please don't hesitate to contact me at 770-712-6007 or espringer@springerfinancial.com.

Kindest Regards,
